## PROFESSIONAL SUMMARY

Dedicated Electrical Engineering graduate with a passion for technology and innovation. Skilled **self-taught Full-Stack developer and UI/UX designer**, experienced in creating user-centered designs for web and mobile applications. Combines engineering principles and design expertise to develop innovative solutions, with a strong work ethic and commitment to continuous learning.

## EDUCATION

<b>BSc in Electrical and Computer Engineering</b> Addis Ababa Science And Technology University 	09/2020 – 06/2025 Addis Ababa, Ethiopia
<b>Polytechnic Diploma</b> Akaki Polytechnic College 	09/2022 – 06/2024 Addis Ababa, Ethiopia
<b>HighSchool Diploma</b> Lideta Catholic Cathedral School 	09/2018 – 06/2020 Addis Ababa, Ethiopia

## PROFESSIONAL EXPERIENCE

<b>Intern</b> IOTEQ SOLUTION P.L.C 	04/2024 – 07/2024 Addis Ababa, Ethiopia
<ul style="list-style-type: none"><li>• I <b>cloned well-known applications</b> to sharpen my development skills and understand industry-level architecture and design patterns.</li><li>• <b>Completed multiple assignments and tasks</b> given by senior developers, helping me build practical experience in real-world project workflows.</li><li>• Took part in real product development efforts, <b>applying my skills in frontend/backend development and UI/UX design</b> to contribute meaningfully to the team.</li></ul>	
<b>Electrical Engineer</b> NALF 	05/2023 – 09/2023 Addis Ababa, Ethiopia
<ul style="list-style-type: none"><li>• Diagnosed and repaired damaged electrical systems, reducing downtime and ensuring consistent production.</li><li>• Installed and optimized minor electrical systems at the factory, contributing to improved operational efficiency.</li><li>• Collaborated with the maintenance team to enhance system reliability, achieving a 15% reduction in recurring electrical issues.</li></ul>	
<b>Frontend Developer</b> Minab IT Solutions 	07/2024 – 01/2025 Addis Ababa, Ethiopia
<ul style="list-style-type: none"><li>• Developed and deployed 10+ responsive web pages using Nuxt, Vue, and TailwindCSS, ensuring cross-browser compatibility and a seamless user experience.</li><li>• Created reusable components, such as navigation bars and date pickers, streamlining development workflows and reducing project timelines by 25%.</li></ul>	
<b>UI/UX Designer</b> HaHu Jobs 	07/2024 – 11/2024 Addis Ababa, Ethiopia
<ul style="list-style-type: none"><li>• Implemented user-centered design principles that <b>increased client satisfaction rates by 20%</b> through responsive and accessible designs aligned with project goals.</li><li>• <b>Designed and optimized over 5+ user interfaces for web and mobile applications</b>, improving user engagement by ensuring intuitive navigation and modern aesthetics.</li></ul>	
<b>Tutor - Remote</b> Studypool 	05/2022 – 02/2024 Mountain View, United States
<ul style="list-style-type: none"><li>• Provided expert assistance on 50+ projects across subjects such as programming, mathematics, and engineering, maintaining a high client satisfaction rate.</li><li>• <b>Achieved Top Tutor status, a recognition badge acquired to the top 1% of tutors</b> for exceptional performance and consistent delivery of quality solutions.</li><li>• Helped students improve their understanding of complex topics, leading to a <b>95% average approval rate on submitted work</b>.</li></ul>	

## PROJECTS

<b>HahuJobs Admin Console</b> 	08/2024 – 12/2024
<ul style="list-style-type: none"><li>• I have <b>participated in building of this web app</b> alongside with other developers. the application is used by the admins for hahujobs owners to control the hahu.jobs  site.</li></ul>	
<b>Nuxt Starter Kit/ Documentation</b> 	10/2024 – 12/2024
<ul style="list-style-type: none"><li>• Developed a Nuxt.js starter kit with pre-built components and configurations to streamline project setup and development. Created clear, developer-friendly documentation to support efficient onboarding and consistent usage across projects at Minab IT Solutions.</li></ul>	
<b>Felega</b> 	06/2024 – 07/2024
<b>Web app</b> <ul style="list-style-type: none"><li>• An innovative tourism platform designed to enhance travel experiences. It allows users to post and discover unique locations (checkpoints) and connect them through engaging stories to create customized vacation itineraries (quests). With a focus on exploration and storytelling, Felega aims to make tourism more interactive, enjoyable, and community-driven.</li></ul>	
<b>Sustainable biogas energy</b> 	02/2024 – 05/2024
<b>Prototype</b> <ul style="list-style-type: none"><li>• The Sustainable Biogas Energy Project focused on converting organic waste into clean, renewable energy. I and my team designed an efficient system to produce biogas, promoting sustainability, reducing waste, and providing a cost-effective energy solution for underserved communities.</li></ul>	

<b>Balesuq</b> <div> <div>Mobile application</div> <ul style="list-style-type: none"> <li>A unique e-commerce platform that introduces a new paradigm for buying and selling. Users can post products they want to sell and also specify items they wish to buy, creating a dynamic marketplace driven by mutual needs. Currently in development, the platform's mobile app is designed to offer a seamless and user-friendly experience, making transactions more efficient and engaging.</li> </ul> </div>	04/2024 – 05/2024
<b>HahuJobs Telegram Bot Design</b> <div> <ul style="list-style-type: none"> <li><b>Designed a user-friendly UI</b> for the HahuJobs Telegram bot, enabling <b>10,000+ job seekers</b> to browse listings, track applications, and connect with employers efficiently. Focused on clarity, dark mode accessibility, and streamlined user flow to enhance engagement and usability.</li> </ul> </div>	08/2024 – 09/2024
<b>ABRI</b> <div> <div>Web app</div> <ul style="list-style-type: none"> <li>Designed at Minab for client ABRI, the platform features a clean landing page and an intuitive admin panel. It streamlines content management for events, newsletters, and sponsors while enhancing user engagement and workflow efficiency.</li> </ul> </div>	09/2024 – 10/2024
